Plot No :178, Sector : 19, Node : Ulwe

दिनांक :

Sub : Grant of Water Supply Connection on Shop No. ,Plot No.178, Sector- 19,
Ulwe, Navi Mumbai.
Consumer No : 180203183

Dear Sir / Madam,

With reference to your application for grant of water connection to your premises, this is to inform you that your application for water connection as follows:

Connection Type	Consumer Use Type	Pipeline connection Dia Size (mm)
Permanent	Institution	25

The connection is granted subject to the fulfillment of following conditions :

1. You will have to deposit an amount of Rs.24200 (Rs. TWENTY-FOUR THOUSAND TWO HUNDRED ONLY) with CIDCO as Security Deposit. This deposit will bear no interest.
2. You will have to pay an amount of Rs.2,000.00 (Rs. TWO THOUSAND ONLY) as Connection Charges & Road Re-instatement Charges Rs.6,200.00 (Rs. SIX THOUSAND TWO HUNDRED ONLY). This amount is non-refundable.
3. You will have to procure two water meter of approved make and the same shall be tested from MCGM or any other laboratory authorized by CIDCO. One meter will be installed at the time of water connection and the other will remain with you as standby meter. Please note that water meter shall confirm to ISO 4064 (Part I) and EEC Council Directive of the class "B" & "C". Water meter will accompany strainer, gate valve, NRV in chamber with lock and key arrangement. Also you will have to procure necessary materials such as G.I pipes, specials, valves and ferrule for making connection to CIDCO's distribution line.
4. You will have to execute an agreement on stamp paper of Rs. 100/- in the prescribed format available in the office of the undersigned. Cost of stamp paper shall be borne by you.

[Signature]

5. You should have one day storage capacity equal to your demand in the form of underground / overhead water tanks.
6. Water shall be supplied at the prevailing Rate type (Residential / Commercial) rate.
7. Minimum consumption of 10.0 cu.m / day shall be charged if the consumption is less than the norms.
8. You will have to make suitable tap arrangement between water meter and underground tank for testing of water meter as and when required by CIDCO.
9. CIDCO's water supply will be at ground level. This may please be noted.
10. This connection order shall be valid upto 3 (Three) months from the date of issue.

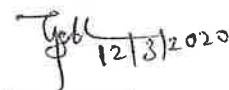

You are requested to fulfill with the above requirements so that actual water connection can be released to your premises at the earliest.

Please note that actual water connection will be released only after fulfillment of above requirements.

This letter shall be a part of the agreement.

Thanking you.

Yours faithfully,

 12/8/2020

Health NOC

Sub : Issuance of NOC from various department for Grant of Occupancy Certificate to Plot No. 178, sector- 19, Ulwe Node, Navi Mumbai.

Ref: 1) Developer's letter received on 10.03.2021.
2) Inspection report dated 15.03.2021

This is to Certify that AE has visited and inspected the above site and found that applicant has fulfilled all the conditions as per health point of view. Hence health no objection certificate is issued and Care should be taken to

1. To avoid the water accumulation in house and campus to prevent the mosquito breeding.
2. Top of drainage vent pipes shall be maintained properly with nylon net fixed with nylon thread.
3. Two separate dust bins should be provided in house one for kitchen and vegetable waste and another for recyclable waste like paper, metal, glass, rubber etc.
4. Water tank (UG&OH) & septic tank should be cleaned every six months & water tank should be air tight so that mosquito's will not enter & breed.

Note: The health NOC is issued subject to as follows-

- 1) The Vector control administrative charges @ Rs.10/-per sq.mtr shall be paid by the plot owner
